# Keeping the Sabbath – 4<sup>th</sup> Commandment

- <sup>8</sup> “Remember the Sabbath day, to keep it holy. <sup>9</sup> Six days you shall labor and do all your work, <sup>10</sup> but the seventh day *is* the Sabbath of the LORD your God. *In it* you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who *is* within your gates. <sup>11</sup> For *in* six days the LORD made the heavens and the earth, the sea, and all that *is* in them, and **rested the seventh day**. Therefore, the **LORD blessed the Sabbath day** and hallowed it.” – Exodus 20:8-11
- The LORD bless this day!

# The Blessing of Keeping Sabbath

- <sup>13</sup> “If you **turn away** your foot from the Sabbath,  
**From doing your pleasure** on My holy day,  
And call the Sabbath a **delight**,  
The holy *day* of the LORD honorable,  
And shall honor Him, **not doing your own ways**,  
**Nor** finding your own pleasure,  
**Nor** speaking *your own words*,
- <sup>14</sup> Then you shall delight yourself in the LORD;  
And I will **cause you to ride** on the high hills of the earth,  
And **feed you** with the heritage of Jacob your father.  
The mouth of the LORD has spoken.”

# Genesis 6

- Genesis 6:1-3
- Now it came to pass, when men began **to multiply** on the face of the earth, and daughters were born to them, <sup>2</sup> that the **sons of God saw the daughters of men**, that they *were* beautiful; and they **took wives** for themselves of all whom they chose.
- <sup>3</sup> And the LORD said, “My Spirit shall not strive with man forever, for he *is* indeed flesh; yet his days shall be **one hundred and twenty years.**”

The result of this unholy union is the birth of hybrid known as Nephilim

# What is Transhumanism?

- Transhumanism is a philosophical movement, the proponents of which advocate and predict the **enhancement of the human condition** by developing and making widely available sophisticated **technologies** able to **greatly enhance longevity, mood and cognitive abilities**
- The term transhumanism was **coined by English biologist and philosopher Julian Huxley** in his **1957** essay of the same name. Huxley held that, **although humanity had naturally evolved**, it was now possible for social institutions to **supplant evolution in refining and improving the species**. (Acting as God...???)

- To give you perspective, here’s how to visualize a **nanometer**:
- The ratio of the Earth to a child’s marble is roughly the ratio of a meter to a nanometer.
- It is a million times smaller than the length of an ant.
- A sheet of paper is about 100,000 nanometers thick.
- A red blood cell is about 7,000-8,000 nanometers in diameter.
- A strand of DNA is 2.5 nanometers in diameter.

# Beyond Human ...

- Transhumanists all agree on one thing: our *evolution is incomplete*, and soon, we will transcend the definition of what it means to be human. Through technology we will become *something more*, something other. Some would argue that the *age of transhumanism is already here*; that prosthetics, cochlear implants, pacemakers, organ transplants, gender reassignment, the contraceptive pill, and vaccines are all proof that we already live beyond the non-augmented bodies we were born with.

# What is Agenda 2021 – UN Initiative

- **Agenda 21** is a non-binding [action plan](#) of the [United Nations](#) with regard to [sustainable development](#). It is a product of the [Earth Summit](#) (UN Conference on Environment and Development) held in [Rio de Janeiro](#), Brazil, in 1992.
- It is an action agenda for the UN, other [multilateral](#) organizations, and individual governments around the world that can be executed at local, national, and global levels.
- One major objective of the Agenda 21 initiative is that every local government should draw its own local Agenda 21. Its aim initially was to achieve global sustainable development by 2000, with the "21" in Agenda 21 referring to the original target of the 21st century.

# What is Agenda 2030?

- The 2030 Agenda is a **global framework of action for people, planet, prosperity, peace, and partnership**. It integrates social, economic, and environmental dimensions of sustainable development, as well as peace, governance and justice elements.
- **The 17 sustainable development goals (SDGs) to transform our world:**
  - GOAL 1: No Poverty.
  - GOAL 2: Zero Hunger.
  - GOAL 3: Good Health and Well-being.
  - GOAL 4: Quality Education.
  - GOAL 5: Gender Equality.
  - GOAL 6: Clean Water and Sanitation.
  - GOAL 7: Affordable and Clean Energy.
  - GOAL 8: Decent Work and Economic Growth.

## Sustainable Development

### 2030 AGENDA

The 2030 Agenda for Sustainable Development is a global development framework adopted by World Leaders at the UN Sustainable Development Summit in September 2015. It comprises the 17 Sustainable Development Goals (SDGs) which apply to all countries in order to mobilise efforts to end poverty, fight inequalities, and tackle climate change.

### OUR APPROACH TO THE SDGs

Singapore supports the 2030 Agenda. As a small country with limited land and no natural resources, Singapore understands the challenges of sustainable development well. This is why we participated actively in the negotiations on the 2030 Agenda and continue to support efforts to implement and achieve the SDGs globally.

We also believe that the SDGs should focus on bringing concrete and substantive improvements, and that countries should be free to pursue the goals in whatever manner they choose, in accordance with their national circumstances and priorities. Despite the current challenges posed by COVID-19, we have redoubled efforts to achieve the SDGs by seizing this opportunity to pursue an inclusive and sustainable recovery.

# Agenda 21 & Agenda 2030

- World-wide goals which on the surface have altruistic attributes
- Saving the world from adverse climate change, no poverty etc ...
- To achieve all these objectives likely to evolve into ONE WORLD ORDER
- Our experience with COVID-19

- Human population, now nearing **8 billion**, cannot continue to grow indefinitely. There are limits to the life-sustaining resources earth can provide us. In other words, there is a **carrying capacity for human life on our planet**.

Is this Statement true?

# Are We Running Out of Land for Food?

---

- Most of the Earth's surface is water (both saltwater, and fresh water bodies) Of the land's total surface, about 29% of that surface is land, and 71% is ocean
- About 71% of the total land surface on earth is habitable, with the rest being glaciers (10%) and barren land (19%).
- $29\% \times 0.71 = 20.6\%$  of land is habitable
- About 50% of the world's habitable land is used for agriculture, 37% for forests, 11% for shrubland, **1% for urban development**, and 1% is freshwater

# The Great Reset – Slogan: Build Back Better

- In June 2020 Meeting in Davos announced the launch of the Great Reset Plan
- The Elites were IMF, Prince Charles, Secretary General of UN, CEOs from major international corporations, World Economic Forum
- Klaus Schwab, founder & executive chairman of the WEF mentioned that every nation from USA to China must participate in this Great Reset
- The catalyst was the COVID-19 pandemic
- The main driver is the metric known as the Environmental, Social and Governance (ESG)

# What is ESG

- Environmental criteria may include a company's energy use, waste, pollution, natural resource conservation, and treatment of animals. Social
- Social criteria look at the company's business relationships. Does it work with suppliers that hold the same values as it claims to hold? Does the company donate a percentage of its profits to the local community or encourage employees to perform volunteer work there? Do the company's working conditions show high regard for its employees' health and safety? Are other stakeholders' interests taken into account?
- About governance, investors may want to know that a company uses accurate and transparent accounting methods and that stockholders are allowed to vote on important issues.

# Great Reset – Slogan: **build back better** (bbb)

- The Great Reset will be the theme of a unique twin summit in January 2021, convened by the World Economic Forum. The announcement of the Great Reset was made by HRH The Prince of Wales and Professor Schwab during a virtual meeting, followed by statements by UN Secretary-General António Guterres and IMF Managing Director Kristalina Georgieva.
- World Economic Forum cancels 2021 meeting planned for **Singapore**. WEF said Monday the meeting will instead take place in the first half of 2022, with a final location and date determined later this year. **Klaus Schwab**, the founder and executive chairman of WEF called it a difficult decision.
- COVID-19 has accelerated our transition into the **age of the Fourth Industrial Revolution**. We have to make sure that the new technologies in the digital, biological and physical world remain human-centred and serve society as a whole, providing everyone with fair access,” he said.

# The End of the Gentile – Rise of Anti-Christ?

- Daniel 12:4 - <sup>4</sup> “But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.”
- <sup>11</sup> “And from the **time *that* the daily *sacrifice* (600BC)** is taken away, and the **abomination of desolation (691 AD)** is set up, *there shall be one thousand two hundred and ninety days.* <sup>12</sup> **Blessed** is he who waits and comes to the **one thousand three hundred and thirty-five days.** (2026/27)
- 1290 + 1335 = 2625 years - Rule of the Gentiles over Jerusalem

It is going to be so subtle...

---

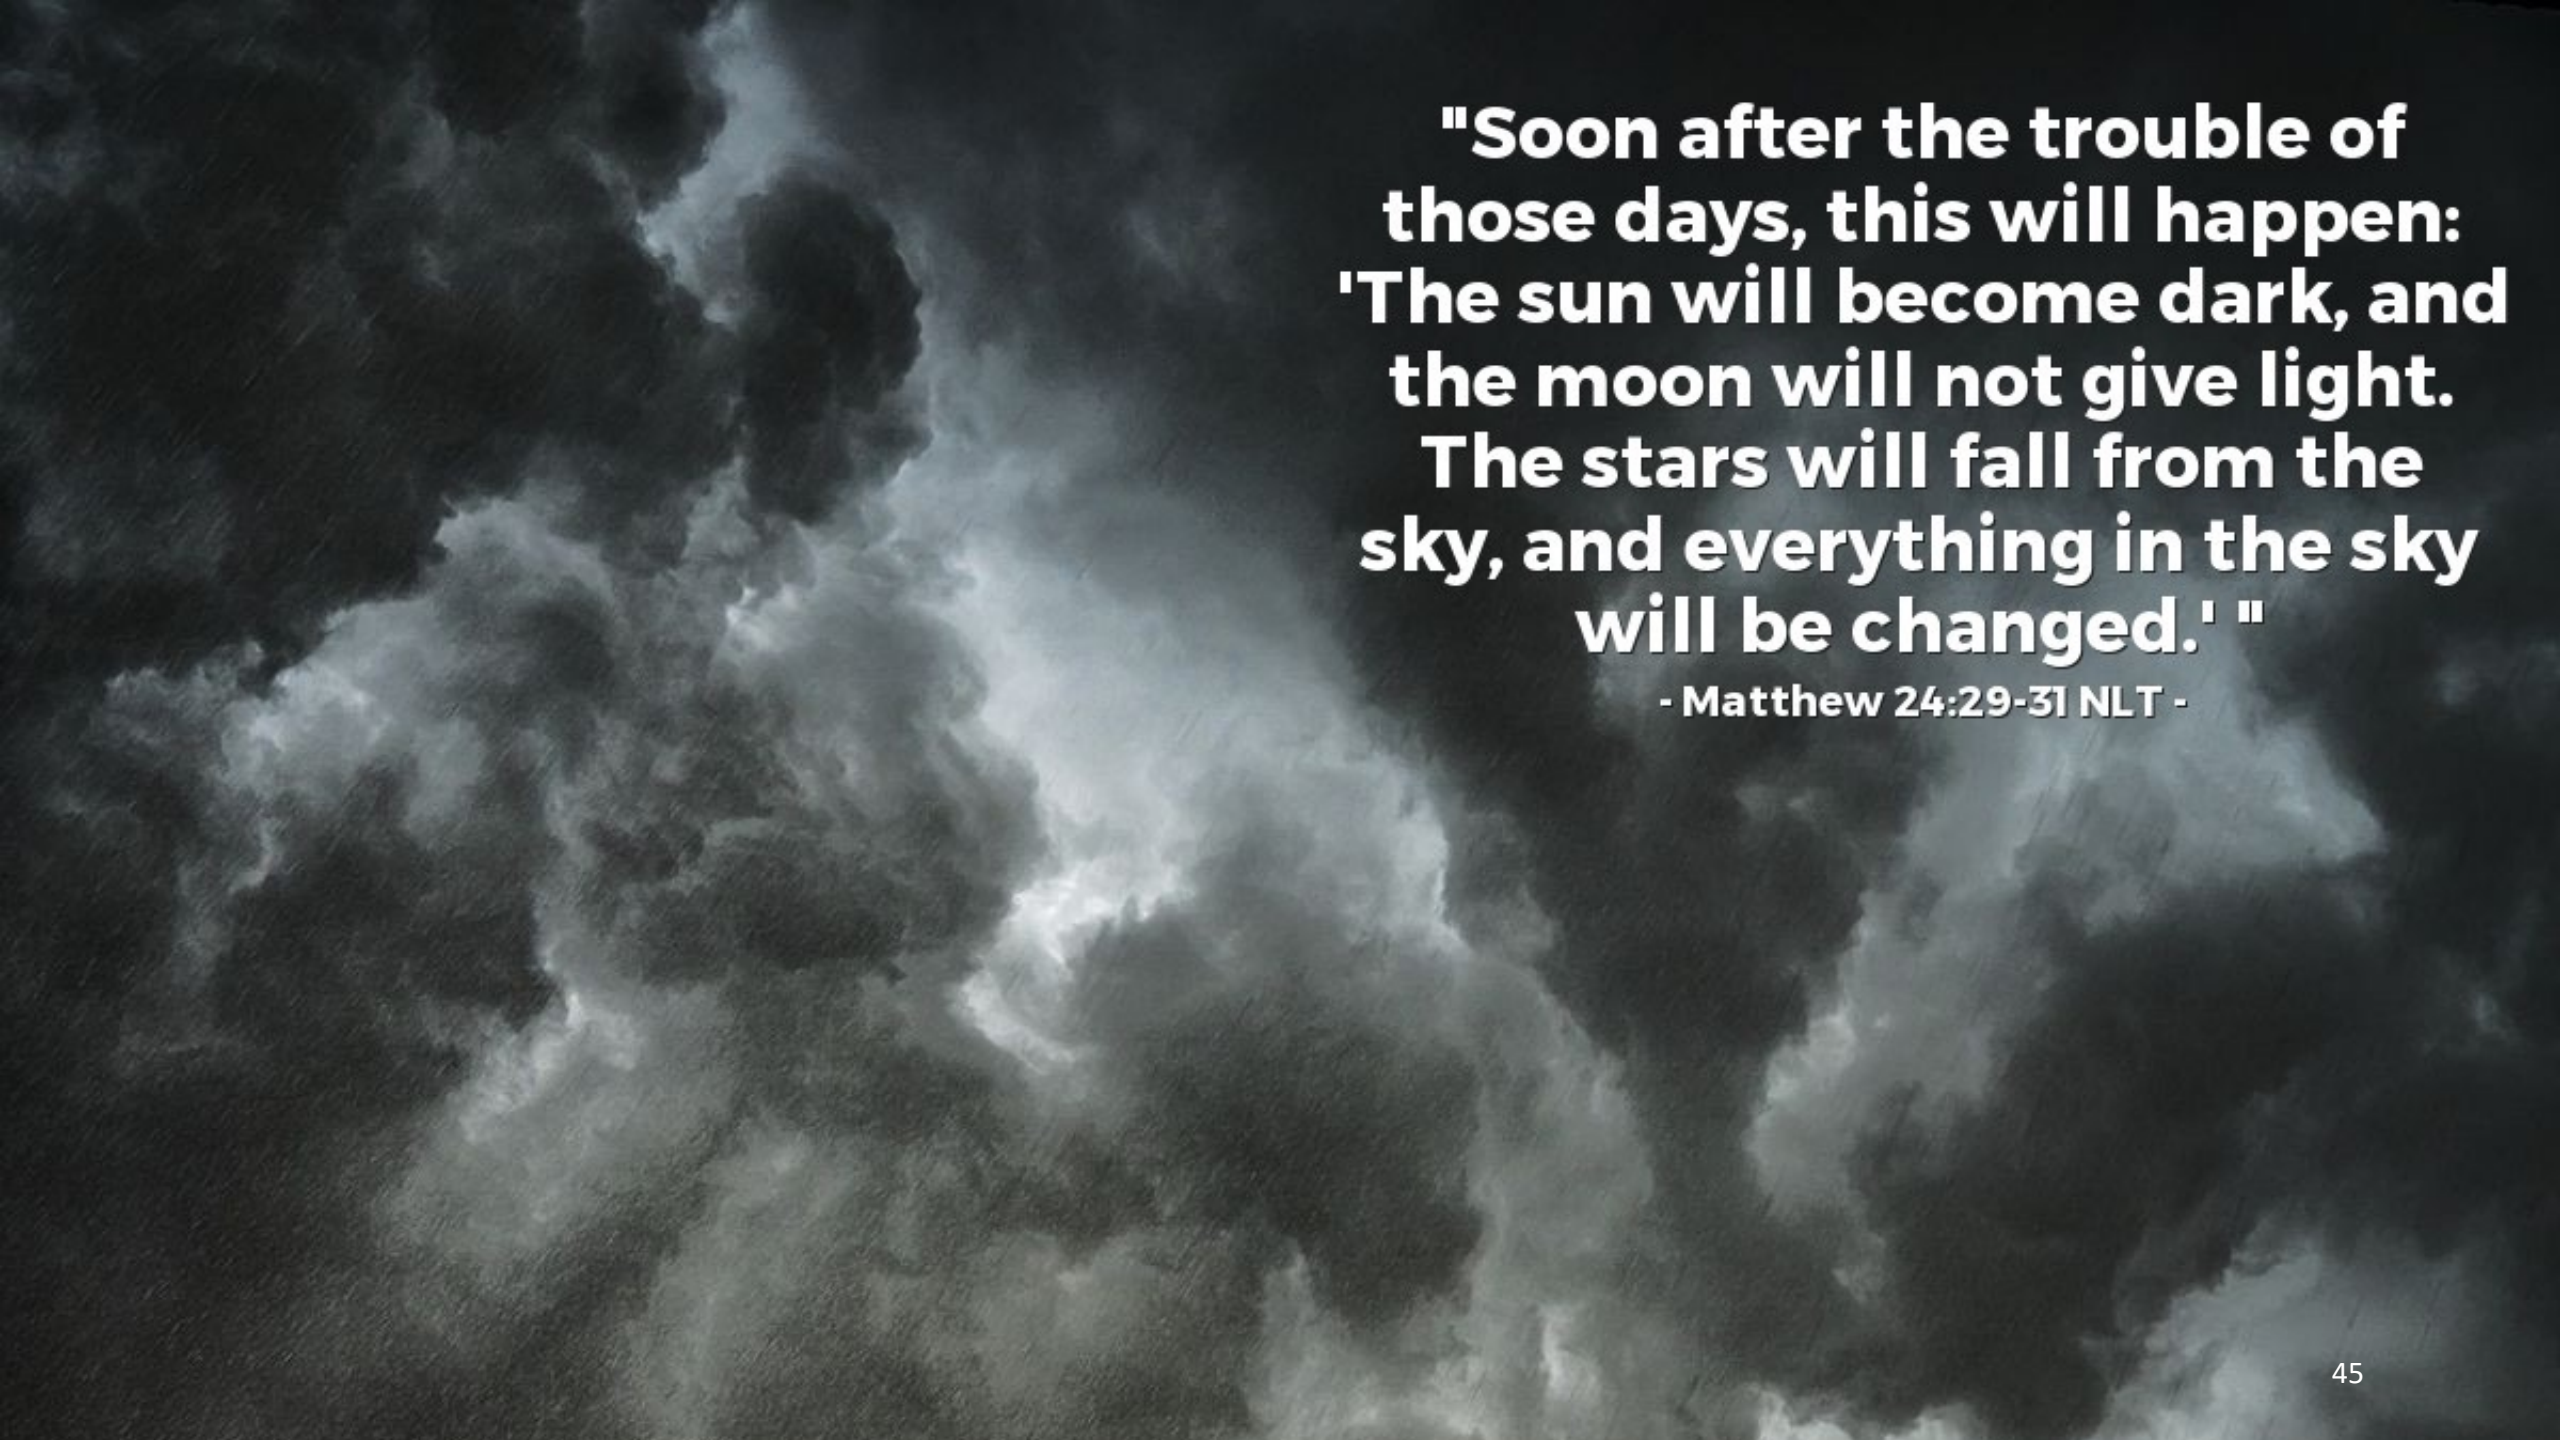

- <sup>24</sup> For false christs and false prophets will rise and show great signs and wonders to deceive, ***if possible, even the elect.*** <sup>25</sup> See, I have told you beforehand.

**The Lord Jesus said, "For as the lightning  
comes out of the east, and shines  
even to the west; so shall also  
the coming of the Son of man be."  
(Matthew 24:27)**

**"Soon after the trouble of those days, this will happen:  
'The sun will become dark, and the moon will not give light. The stars will fall from the sky, and everything in the sky will be changed.' "**
