# Melchizedek – Part 1

Understanding the order of the "Royal Priesthood" in Jesus

### Knowing what we believe

- Why is it important today, more than ever before
- What sets us apart from the World
- Who is our God
- How does the Bible portray our identity in Christ
- When do we live the 'abundant life

# Abrahamic accord & Chrislam

- Syncretism is the fusion or blending of differing systems of belief. "Chrislam" is an attempt to syncretize Christianity with Islam, therefore the name "Chris" for *Christ* and "lam" for *Islam*.
- Its central belief is that Christianity and Islam are compatible, worship the same God, and that a person can be both a Christian and a Muslim at the same time.
- It attempts to blur the similarities and differences between Christianity and Islam.
- 1 Thessalonians 5:3 While people are saying, "Peace and safety," destruction will come on them suddenly, as labor pains on a pregnant woman, and they will not escape.

- Germany to build the House of One which would accommodate all religious belief systems in the world, including Christianity, Islam, traditional religions, and others, in one building.
- The House of One which construction budget is €47 million was designed by Berlin architects, Kuehn Malvezzi. The architectural design indicate that the building will accommodate a church, a mosque and a synagogue, all channeled to a central meeting point.
- Pope Francis officially entrenched the value system of Chrislam in Abu Dhabi in 2019.
- In the Holy Qur'an, God Most High enjoins Muslims to issue the following call to Christians (and Jews—the People of the Scripture):
  - Say: O People of the Scripture! Come to a common word between us and you: that we shall worship none but God, and that we shall ascribe no partner unto Him, and that none of us shall take others for lords beside God. And if they turn away, then say: Bear witness that we are they who have surrendered (unto Him) - AAL 'IMRAN 3:64

### The Most Successful Muslim-Christian Interfaith Initiative in History

A Common Word offers a starting point for interfaith engagement and cooperation. Based around the principles of *Loving God and Neighbor*, A Common Word is built on the most **solid theological grounds** possible in Muslim and Christian scriptures, empowering different communities to work towards positive change.

- Hebrews is juxtaposing the Levitical order with the Malki-Tzedik order so when Hebrews 7:3 says that the Malki-Tzedik is without father, without mother, without genealogy, having neither beginning of days or end of life.
- It's talking about the Malki-Tzedik's are not listed in the Levitical genealogies! No record of any of their parents being from Levi are recorded, since neither was a priest in the order of Levi. Neither Shem, nor Yeshua has beginning of days, nor end of a priestly Levitical life, since neither was ordained to begin, or end with in that Levitical service. Yet, both do have genealogies listed in Scripture.
- Shem like Yeshua served in the eternal order and positionally he prefigured Yeshua, who serves in that same eternal order that can never pass away.

## Lets go back to the Garden

- Adam and Eve God performs surgery on Adam and creates Eve –first mention of genetic engineering - Genesis 2;21-23
- Tardemah, is indeed a "deep sleep".... A sleep like that caused by an anaesthetic envelopes man's feelings and consciousness
- μside, and, as a portion of the human body, the rib. The correctness of this meaning, which is given by all the ancient versions, is evident from the words, "God took one of his] he plural form tsəlā'ôt]," which show that the man had several of them

# Why were we created...

- God fellowshipped with Man... in His IMAGE
- We are fearfully and wonderfully made...Philip, Peter, Paul ....harpazo... gene switches
- Man sins... wanting to be like gods... the curse of the knowledge of good and evil Genesis 3:5.
- In their awakening they realise they has crossed over to evil and were ashamed.... Genesis 3:17 Cursed is the land....
- Adam not created to die....change in nature...change in their own physiology... junk genes
- Further corrupting of the gene pool.... Sons of god/fallen angels... mixing of flesh and transhumanism.... Noah.... The flood

Was the flood to destroy the nepihlim or corrupted man – Genesis 6:5-7

Seedless – Chimera – violated laws of nature – God grieved – reset – pure "image" Noah

God gave man chance to repent – why was man not able to repent

Was Noah the most under-performing evangelist in history?

The desire to be like 'gods' didn't diminish after the flood – Gen 11: 4 – Nimrod and Babel The battle to corrupt the 'seed' of man continues... to subvert those created in His image The mission to create 'one world" continues... united against the creator God

### Introduction to Abraham...

Ref to Jasher in: Joshua 10:13 ; 2Samuel 1:18 ; Abraham born to Terah... Abraham's birth, sign in the skies and the interpretation by the conjourers, Nimrod wants Abram dead, Terah hides his son for 10years...then sends him to Noah and Shem, where Noah learns of God. Jasher 8,9

King Nimrod, who later plots to kill him; Terah, Abraham, Lot and their wives leave Ur, settle in Haran.

Abram and Lot settle in Cannan, land not big enough for them, Lot moves towards Jordan near Sodom.

Lot and people carried away by 4 kings of the east

# Who is Melchizedek....

- Sodom attacked by the 4 kings of the east Genesis 14, who are fought by the alliance of 5 kings. The 5 Kings lose, and they are raided, and the people carried away. This includes Lot.
- Abram leads a counterattack with just 318 men and defeats the 4 Kings of the east.
- Abram is met by King of Sodom in the valley of Shaveh.... Melchizedek king of Salem brings bread and wine, he is the priest of the most high God. Abram is blessed by Melchizedek (Gen 14:18), Abram tithes the Melchizedek. Melchizedek makes peace after a family feud.( so also with the son of flesh and son of promise in the last days....)
- Avram makes peace with Melchizedek, he is blessed into the Melchizedek line. This is the first mention of Melchizedek the higher order of priesthood.

# God's covenant with Abraham

- Abram is called out from his kindred to go to Cannan, God promises that land to his children. (Genesis 12:1-3- make you a great nation, bless you)
- Genesis 13-Seperation from Lot. God promises Abram the land v 14-17
- Genesis 14 The great war, Melchizedek line passed on to Abram
- Covenant with Abram (Gen 15 v1)....Visual proof, stars in the sky...Abram believed God (acceptance), this counted to him as righteousness. God says you will inherit the land, Abram asks how will I know this.... Deep sleep revelation...sacrifice...blood ratified ...Infinity, One sided covenant,, death penalty....circumcision (token between God and Abraham) and covenant sealing meal Gen:18
- Visual proof...v8 sacrifice...Abram shown the future of his offspring...
- Covenant sealing meal by the Oaks of Mamre Genesis 18
